SUBJECT.

Sanctioning Special Temporary Establishment for the examination of Miscl accounts maintained in the several Taluk's and District Offices.

PREVIOUS REFERENCES.	LATER REFERENCES.

Memo

I beg to bring to the notice of the Dewan that the accounts maintained in the Taluk and the District Offices in respect of Receipts and Expenditure of the Funds of Muzrai Institutions are in a very unsatisfactory condition

2. Lately I deputed my Office Manager to go to the Bangalore District Office and ascertain how the Muzrai accounts are at present kept; and it is found that no separate accounts of Muzrai Funds are maintained in the Deputy Commissioner's Office, while the only account kept in the District Treasury is a Register of "Credits" of Muzrai Funds of the several Taluks without any arrangement either Institutionwar or with reference to the several "Heads" of Muzrai Funds, and without a proper account of disbursements made The Treasury Certificates recorded on bills and Estimates submitted for sanction of Governmen

are based simply on the "credits" above referred to, without regard to the expenditures that may have been already incurred therefrom On enquiry at the Bangalore Taluk office it has been ascertained that matters there are in no way better No separate classified account of Receipts and Expenditure of Muzrai Funds is available and whatever information is required has to be gathered from the Treasury C. Account.

3. With reference to the foregoing state of things Mr. K. P Puttanna Chetty, the Deputy Commissioner of Bangalore District, states that the — Muzrai accounts of his District are in a state of utter confusion and a detailed examination of the accounts of the several Taluks is necessary to rectify matters.

4 Referring to the Muzrai Cash balances the Comptroller reports as follows: —

"The Books of this Office contain only Districtwar balances, and at present,

there appears debit ba-
lances in some Districts,
while the Certificates re-
-corded on the bills re-
-ceived from those Dis-
tricts show that there
are credit balances.
Either the Treasury Cer-
tificates must be wrong
or the balances on the
Books of this Office in-
correct."

and again:-

"At present the Audit
performed in this Office
is no Audit at all. The
Treasury Officer's Certi-
ficate as to balances
in favor of each tem-
ple is admitted by this
Office without having
any means of checking
the same. What accounts
the Treasuries maintain
and how the balances
as certified by them
have been arrived at
this Office has no inform-
ation."

5. In view to rectify
the aforesaid defects the
Comptroller proposes introdu-
cing a revised system of accounts
but he adds that before

doing so it will be necessary to obtain from the several Treasuries a Statement of all Muzrai Institutions with the cash balances in favor of each according to the Treasury accounts and verify them as far as possible with the accounts of his office and finally strike the correct figure for each Institution. For this purpose, he requests sanction to the entertainment tentatively of a special Establishment consisting of 3 Accountants and costing Rs 105/- a month.

6. In the foregoing circumstances, a thorough detailed examination of the Muzrai accounts at present maintained in the several District and Taluk Offices is no doubt very essential, and a complete revision of the existing system of accounts appears also urgently called for. For this purpose, I think it will be sufficient, at least for the present, if the Comptroller be allowed to entertain one temporary Accountant on a salary of Rs 50/- a month, whose duty it should be to proceed to the several

Taluk and District Head Quarters, overhaul the accounts, and verify the cash balances. As it is also necessary to maintain a regular system of accounts in my Office I would, in this connection, also depute A Mrityunjaya Iyer, B.A., the Manager of my Office to go along with the aforesaid Accountant, not only to facilitate the examination of the accounts, but also to study in detail the existing system of Muzrai accounts and how the same may be best revised and improved. For this purpose, I request sanction to granting him, in addition to his present salary of Rs 150/- a personal allowance of Rs 30/- a month during the period he is so employed, and further to allow him a temporary Vernacular Clerk on a salary of Rs 20/- a month to assist in examining the Vernacular accounts.

7. The foregoing charges amounting to Rs 100/- a month as noted in the margin

Total Rs 100/-

-X- Accountant for the Compt.'s Office Rs 50/-
Personal Allowance to A Mrityunjaya Iyer, Manager of this Office . . . } 30/-
Vernacular Clerk 20/-

Rs 100 a
5/4/27

be sanctioned for a period of one year from the 1st April 1899 by which period I expect that the whole work will be completed. Of course these Officials will also be paid Travelling Allowances according to the Codal Rates

A Strumpfer

The suspension of the balances is very necessary - I have nothing to dispute me of any expenditure asked for the purpose on the understanding of S.O.S. to be met from Treasury Funds -

As these accounts may have to remain open for more than 10 days, they may be Unsupported from the restriction [illegible] 2 Days & Three

The Treasury balances should be met from the Treasury Funds

OFFICE OF THE COMPTROLLER OF MYSORE.

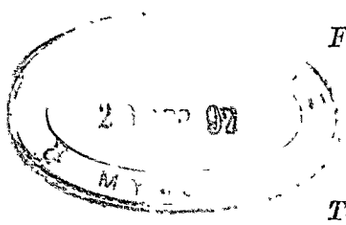
No. 6688
Exc: 2

Bangalore, 15th April 1897

From

E. R. SUBRAYER, Esq.,

Comptroller of Mysore.



To

The Muzrai Secretary.

Sir,

I have the honour to forward herewith 2 Memorandums A and B drawn up by me on the accounts of Muzrai Works to be executed by Civil officers and on the receipts and payments on account of Muzrai Surplus Funds and "Receipts of Temples under the management of Government officers". The defects and irregularities in the present system are fully explained, and the rules for their Amendment are also suggested therein. If they Commend themselves to Government, I request

request that an establishment as shown below may be sanctioned tentatively for my office as the proposed system devolves much work and labour ~~thereon~~.

1. Second grade Accountant 50 - 5 - 65
1. Third grade Accountant 30 - 5 - 45
1. Junior Accountant on Rs 25/

I have the honour to be
Sir
Your most obedient Servant.

Memo on the system of
and payments on
"Surplus Funds" and "R
of temples &c."

Another importa
point deserving of consi
ation is the present syste
Auditing charges debitab
"Temple Funds" and of
crediting Napavati o
unexpended amounts
Muzrai grants to"
funds". The system is
defective and irregular
and requires immediat
amendment. All Muz.
charges are now passe
by the Audit-departmen
only on the strength of
Treasury certificates o
credit. The Books of the
contain only District
Balances, and at pres
there appears debit
in some Districts, while
certificates recorded or
bills received from the
Districts show that the
credit balances. Or
the Treasury certifica
be wrong or the balan
on the Books of the D
incorre

In the Mudgroi Secretary's
104-16 dated 25th April 1892
ter 6
is directed that Napavati
counts should be credited
"Surplus Funds" at the close
each month although it
not practicable, while ~~under~~ under
late Chief Commissioner's orders
~~proceeding has mandated~~

such amounts are trans-
able to those funds at the
e of each year. In giving
ect to these orders in some
stricts only the actual
rrings are credited to those
nds, while in others any
mount remaining un-
awn out of the Budget
ovision is credited to these
nds. Further in some
tricts these amounts are
ested monthly while in
s it is done annually.

To have an efficient
over the expenditure
the balances of these
titutions and to ensure
uniform practice the
rowing rules are
ggested.

At the beginning of
e year the full amount
vided in the Budget
hing the grant for
Construction

approved by
14-10-92

construction and repairs be debited to state and to Surplus Funds in each institution:

(2) The charges of these institutions will be audited under the rules applicable to Provincial expenditure

(3) A Personal Leger will be opened in the Comptroller's office for each institution in which the receipts and payments will be recorded in detail.

(4) A similar Personal Ledger will have to be opened for the receipts and charges on account of "Temples under the management of Government officers"

(5) A detail statement of receipts on account of such Temples shall be sent monthly along with the Treasury Account, from which the amounts will be posted in the Ledger under respective institutions.

(6) Detail Bills for the expenditure ~~incurred~~ will be similarly sent with List of Payments and the payments will

be posted therefrom on the ledger

By the help of these ledgers it is possible to say at anytime the correct Balance in favor of each institution under both the Funds Mukpoi Surplus Funds and "Receipts of temples under the management of Government Officers"

At the close of each year a balance statement will be obtained from the District Mukpoi Officer and verified with the Ledger figures of this Office At present the Audit performed in this office is no Audit at all. The Treasury Officers certificate as to balances in favor of each Temple is admitted by this Office without having any means of checking the same. What accounts the Treasuries maintain and how the balances as certified by them have been arrived at, this office has no information. The District balances standing on the Books of this office are in some instances debit balances and yet this office has been admitting charges in those instances

R

A system of the kind above described is absolutely necessary. It is simple and effective. Before however it is brought into complete working order and the balances verified and agreed with the Books of this office it is necessary to obtain from the Treasuries a list of all the Temples &c, with the balances in favor of each institution according to the Treasury accounts, verify them as far as possible with the figures of this office and arrive at correct figures for each Temple. This would involve a very careful analysis and scrutiny. For this special work added to the current work under the proposed revised system, the establishment now tentatively proposed is absolutely necessary and cannot admit of any reduction.

Ehrman

A.

Memo on the accounts of Munzoi works to be executed by Civil Officers

The present system of obtaining funds for construc and repair of Munzoi Buildin and of adjusting the same in accounts is very un satisfactory

(1) As soon as an estima is sanctioned, the amount is drawn by the Deputy Commissioner as which remains unadjuste for 3 or 4 years till the completion bill is receive in this office for formal adjustment, thus the cost of a work the whol of which is intended to be met out of the grant of one year has to be debited against the g of some subsequent y in which the

rll is received.

2) When an estimate is
anctioned, a portion of the
ost is ordered to be met
rom Temple Funds as far
s the balance available
t the time in favor of the
emple permits, but by the
ime the cost is finally
djusted in accounts on
eceipt of completion bill
as explained in the above
ara there may be no
balance in favor of the
Temple.

3) Sometimes, Government
der that the cost of a work
ould be met from
ferent sources i.e. "Private
ntributions," "Temple
nds" and "State Grant"
ut in such cases when a
ompletion bill is received
for an amount less than
the sanctioned amounts
the Audit Department
dmits charges to the full
xtent of the amounts
llowed from Temple
unds" and "State Grant"
ignoring

ignoring the portion chargeable to "Private Contributions. This is, the estimated amount of a certain work is, say Rs 600/- which is chargeable as follows:—

Private contribution — Rs 100/-
Temple Funds —— 200/-
State grant ——— 300/-

Supposing a completion bill is received for Rs 550/- the state grant is debited to the full extent of Rs 300/- instead of only Rs 250/-

To remedy the above irregularities, I would suggest that the following amended rules may be adopted for the accounts of Ellu zoi works.

(1) Every estimate must be sanctioned by Ellu zoi Secretary as heretofore.

(2) On receipt of such sanction the Comptroller will intimate to the District Treasury Officer up to the amount [illegible]

be made on measurement
bills on account of each work.

3) Muzroi works should
be carried out as far as
possible on contractor Piece
work system and payments
made on bills passed by
the District Muzroi officer.
cases where works have
be carried out departmently,

4 a fixed lump sum
imprest will be placed
the hands of Amildars
or carrying out the works.
As the imprest runs short,
a measurement bill should
be prepared and sent to
the Muzroi officer who
after necessary check will
countersign and present
it at the District Treasury
for payment to the Amildar
concerned by means of a
Jalali cheque in recoupment
of his imprests.

(6) The measurement
bills thus received will be
passed by the Audit
Department and charged
first

~~Classified~~ sub-divided as follows:—

MUZRAI

1898

From

THE SECRETARY TO
GOVERNMENT OF MYSORE

To

The Comptroller
to Govt

Dated 18
Despatched 1[illegible] 98
Received
Copy sent to
Muzrai Dept

Enclosure to

His letter no 6688 dated 15th April 1897 on the subject of the system of Muzrai Accounts

Adverting to the above has the honor to state that at present the funds of Muzrai Institutions are credited in two ~~different~~ [illegible] Muzrai Funds of Devasthanams [illegible] Charitables [illegible] the Savings [illegible] Cash Tasdik [illegible] temple [illegible]

of Government officers" (otherwise known as Hosahead), to which head are credited the receipts from all other sources. This division of the Muzrai funds has owing to want of proper understanding of the classification by the Taluk and District officials led to much confusion in the accounts. The undersigned is therefore to enquire why, in view to simplify the system of accounts, the above mentioned dual classification of the Muzrai funds may not be discontinued, and all receipts and expenditure of Muzrai Institutions be credited and debited under one and the same head — to be designated as say — "Muzrai savings," the items on the receipt side only being for the purposes of check.

OFFICE OF THE COMPTROLLER, MYSORE GOVT.
Bangalore, 10 September 1898.

From

E R SUBRAYER, Esq.,
Comptroller Mysore Govt.

To

The Secretary to the Govt of Mysore,
Muzrai Dept.

Sir,

With reference to your docket No. 1417 Muzrai F No: 18-97 dated 18th July 1898 enquiring whether all receipts and expenditure of Muzrai Institutions may not be credited and debited under one and the same head instead of under two separate heads, I have the honor to state that although (1) the savings from Government Allowances, and (2) the receipts from main lands, Kanikes, &c, are respectively credited under two separate heads "Surplus Funds of Devasthanams and Chatrams" and "Surplus of Temples

"Temples under the management of Government officers," yet they are utilised for temple purposes in general. Under the old Rules it was necessary to maintain two heads, because in the case of former, the District officers were empowered to incur charges up to a certain limit, and above that limit, under the sanction of ~ Government, while in the case of latter, expenditure could be incurred on the authority of the Mauzroi Officers themselves Vide this office Circular No 1121 dated 6th June 1874. But in Government Proceedings No 1061-70 dated 16th February 98 (Mauzroi Department) the Deputy Commissioners are ~ authorized generally to sanction all Mauzroi charges up to a limit of Rs 50/ whether they are debitable to "Surplus" or "

fund, provided there is sufficient balance in favour of the institution. So far therefore as the accounts of this office are concerned there is no necessity to keep the two separate heads above named. All receipts may be credited under one Debit Head "Imuzroi Funds" provided, for all administrative purposes, the details of these receipts are maintained in the Imuzroi Department.

I have the honor to be
Sir,
Your most obedient Servant,

Comptroller

No 3033 _____ DEPARTMENT.

OFFICE OF THE

COMPTROLLER, GOVT. OF MYSORE,

BANGALORE, 20th November 1900.

From

E. R. SUBRAYER, Esq,

COMPTROLLER, GOVT. OF MYSORE.

To

THE SECRETARY TO THE GOVT. OF MYSORE,

Mugrai Dept.

SIR, With reference to Government Order No 1196 dated 7th May 1900 sanctioning the continuance of the temporary establishment entertained for examining the district Mugrai Accounts for a further period of 6 months, I have the honor to state that of the 6 district accounts then left unaudited, the accounts of 5 districts viz Kadur, Bangalore, Tumkur, Chikaldroog & Kolar have since been examined, and that only Shemoga district accounts yet remain to be examined, which will require about 2 or 3 weeks time The transactions in the State Huzur Treasury

have then to be verified with particular reference to the funds of Tirupati and Benaras Chatrams. During the course of examination it was found out that certain items which should have been debited or credited to State Funds have been included under Temple Funds, and that similarly certain items which should have been credited or debited to the latter, have been shewn against the former. These wrong items have to be correctly adjusted, and the provincial balance, as worked out from the several district statements, has then to be reconciled with the balance shewn in the Books of this office. All this work can be completed before the end of December next But as it is proposed to introduce a detail audit system of allegrai accounts the following additional work has to be completed in view to the detail audit being commenced from 1st July last with correct institutional balances :—

(1) In verifying the balances of the several Districts, the accounts of the Hassan District

which was first taken up in July 1899 have been examined up to the close of the year 1897-98, those of Mysore, Kadur & Bangalore up to the close of 1898-99 and those of Chitaldroog & Kolar up to the close of 1899-900. As regards the first 5 districts the accounts have to be brought up to June ~~1899~~ 1900.

(2) Grants to some of the Institutions have been returned by Government and yet some balances remain to their credit in the books of the District. A list of such institutions with the amounts in their favor have to be prepared for necessary orders as to how they should be utilized.

(3) Under orders of Government several items of charges have been debited in a lump sum to "District Mugrai Surplus Funds" and "Provincial Mugrai Surplus Funds". A list of these items has also to be prepared in order that Government may decide as to what particular institutions they should be debited.

(4) Owing to territorial changes of 1882-83 and 1885-86 funds pertaining to one

institution appear in 2 or 3 District accounts and Talups. All these figures have to be worked out and the correct balance of each of such institutions has then to be determined.

The details of work enumerated above will probably require 3 months I therefore request that the sanction of Government may be obtained for the continuance of the temporary establishment till the end of March next

I have the honor to be,
Sir
Your most obedient Servant

C Norton

Read:—

Govt. Pro: No. 1134 dated 13th April 1899 sanctioning a Special Temporary Establishment for a period of one year for the examination of the Muzrai Accounts maintained in the several Taluk and district Offices.

Govt. Pro: No. 1196 dated 7th May 1900 sanctioning the retention of the above Special Temporary Establishment for a further period of six months.

And,

Letter No. 3033 dated 20th November 1900 from the Comptroller, reporting that the accounts of all the Districts except Shimoga have been examined, and requesting sanction to extend the term of the

Special Establishment till the end of March 1901 in view to the completion of the verification of the balances available at the credit of the several Murzai Institutions in all the Districts and also to the introduction of a regular system for the detailed audit of the Murzai accounts in future.

Order thereon

No. 721
Murz 7 5-96
Dt 9th January 1901.

The Temporary Establishment was originally sanctioned for one year. On the representation of the Comptroller, its retention for a further period of six months was sanctioned in the Govt. Order of the 7th May 1900

read above. The present application is for the further continuance of the Establishment till the end of March 1901.

2. It is to be regretted that the audit of the District Murzrai accounts has not been completed as yet; however, the Govt. are pleased to sanction the present recommendation of the Comptroller for the continuance of the special Establishment till end of March 1901, on the district understanding that he will see to the work being thoroughly completed within that period, and submit a final report for the information and orders of Govt. on or before the 15th April 1901.

To
The Comptroller to the
Govt. of Mysore

Murzrai Secretary
